WOULD PENSION RETIRED MINISTERS

BISHOP QUAYLE MAKES ELOQUENT APPEAL.

PASTORS, CUSTODIANS OF AMERICA, HE SAYS

Save United States Thousands of Dollars Yearly in Jail and Penitentiary Expense.

A plea for the support of retired ministers and for the support of dead ministers' wives was the principal feature of the address given by Bishop William A. Quayle of the Methodist Episcopal church at the church last night.

The church was filled with people who had come to hear Bishop Quayle, perhaps for the first time, but more probably for the second time, but his remarks were nevertheless enjoyed by his audience.

Bishop Quayle spoke in the interests of the campaign now being carried on in the Methodist Episcopal churches of the United States for the purpose of taking care of aged and infirm ministers who, having spent their early life in the ministry, are forced to retire, and often do so without the necessary means of living. He also spoke for the wives and families of ministers who are called away in early life, leaving their loved ones dependent on charity.

"I have spent twenty-five years in the ministry," said Bishop Quayle; "twenty-five long, beautiful years. And I have had more fun than if I were in a watermelon patch. There have been sad times. Yes. There have been serious times. Yes. And I have been tired. Very near it, often. I have had all the experiences that usually fall to the lot of ministers. But I will say that, despite the hardships, these have been twenty-five long, beautiful years.

"During that time," he continued, "I have saved the United States thousands of dollars in policing and in the upkeep of jails and penitentiaries. Every time I won a soul to the church I kept that soul away from sin, from crime, from jail, from the gallows. Thus thousands of dollars are now in the coffers of the republic as a result of my ministry.

"Now, when we consider that my service is the same service performed yearly by thousands of Methodist ministers throughout the country, is not all of this service worthy of recognition? Is it not worth while?

"We are the custodians of America's tomorrow. Why, then, should we not be accorded the same recognition that we give to soldiers and others who place their lives in the hands of their country for service.

"Soldiers were never more necessary than they are now, and soldiers receive their pensions not as a matter of charity, but as a matter of safety of the republic. Why, then, is not the minister provided for? He looks after the interests of the state, the nation, the father, the mother and the child. We do not want you to do more than your share. We are only asking that you play square with the Methodist minister."

Bishop Quayle gave a particularly striking account of the minister's service to the world.

"Civilization is not like the Egyptian pyramid of a famous marble column erected in memory of some great man. It will not remain the same for years without feeling the destructive effects of wind and weather. Civilization must be strengthened daily with Christianity, godliness and sobriety or else it will not stand. It is not certain that things will go from worse to better, but it is certain that things go from worse to worse.

"The ministers are the men that are the custodians of this civilization. They are the unanimous, systematic educators of the children of America. For these reasons the services and devotion of ministers should be recognized, not only with gratitude but with substantial donations from the pocketbooks of the laiety.

'TWAS A PEACHY MORNING

Four Hundred Bushel Baskets of the Luscious Fruit Were Sold in Two Hours This Morning.

This was a "peachy" morning in Maryville, and literally true, too, as four hundred bushel baskets of the fruit were sold in less than two hours. In fact, the customers of the various grocery stores here made a specialty of peach buying during this time.

The reason for this was that what will probably be the last shipment of this season's peaches was put on sale this morning at a price much lower than any had been offered this fall. The Townsend wholesale grocery company brought in a car load yesterday afternoon. The peaches were advertised for sale by the various stores at 75 cents a bushel in last night's papers. The wholesale company gave orders that the stores were to be allowed as many baskets as they wanted, and the demand was such immediately after they were put on sale that the Townsend grocery store almost failed to get in on the sale, the customers of the wholesale company being supplied first.

One groceryman stated that he could easily have sold twice the number if he could have obtained them.

18 LINE UP FOR CHRIST

Interest in Revival Meetings at Bedison Increases Daily—Subjects For Rest of Sessions Announced.

The revival at the Christian church at Bedison is still in progress. So far eighteen persons have "lined up" for Christ, and the attendance and interest increases daily. The subjects of the sermons for the rest of the meetings are anounced by the Rev. Thomas Young: Tonight his subject will be, "Why Sit Ye Here Tonight?" Thursday evening he will give an oration, "The Dangers That Menace the Republic." The latter half of this oration will be given to a discussion of booze. A special feature will also be put on Wednesday by one of the younger members of the church. Friday the text will be ,"Remember Thy Creator in the Days of Thy Youth." The revival closes on Friday evening.

Everyone is welcome to these services and the pastor requests that all come early and secure good seats for the rest of the meetings.

REVIVAL IN FULL SWING

Rev. M. Harlan Preaches Inspiring Sermon On "Christian Character" —Brother Brewster Sings Solo.

The revival at Palestine is now in full swing. The Rev. Mr. Harlan, pastor of the Christian church at Palestine, gave a splendid sermon last night, taking for his subject "Christian Character." Brother Brewster pleased the audience with a solo. The subject for tonight is "Duty and Faultfinding;" for tomorrow night, "The Man Who Had Better Never Been Born;" for Friday night, "Advantages of Christianity;" for Saturday night, "A Model Congregation;" for Sunday morning, "The Great Committal;" for Sunday night, "Sealed for Service." All members are requested to attend these services and the public is invited.

T. P. MOORHEAD BURIED

Fueral Services of Skidmore Resident Held Yesterday Afternoon—Burial In Masonic Cemetery.

The funeral of Theodore Parker Moorhead, who died at his home in Skidmore, at 7:30 o'clock Monday morning, after a long illness, was held at 2 o'clock yesterday afternoon from the family home, the Rev. W. H. Welton and the Rev. M. DeWitt conducting the services. Burial was in the Masonic cemetery.

Mr. Moorhead was 62 years old. He is survived by his wife and two sons, Irvin and Jack. He was a painter, following that trade in Skidmore for many years.

HUGHES TWP. ROAD

EFFICIENT BOARD IN CHARGE OF $30,000 IMPROVEMENTS.

SIX CREWS AT WORK

Cement Supply at Graham, Maitland and Barnard Exhausted—Teams Haul From Maryville.

Improvements on the Hughes township road are progressing rapidly and the work being done is considered the best in the county.

Recently Hughes township voted $30,000 bonds for the purpose of carrying on the road work. The township board, consisting of J. A. Gex, F. E. Lyle, John Lowrance and Howard Greeson, immediately began to plan the work, and it is due to their efficient management that the road construction has progressed so rapidly.

Six crews are putting in cement culverts and bridges and several crews are making fills and doing the grading. The decision to pave the road between Graham and the river bridge at Maitland was reconsidered, because when the cost was determined it was found that it would take $11,000 to do the paving, and the board thought that if such expense were incurred Maitland and the Burlington railroad should each stand one-third of the expense. At present, therefore, the paving proposition is tabled.

The township board is having the grade on that section of the road raised and culverts are being placed to let the water through instead of having it back up and run over the road as it did hitherto.

The cement supply at Graham is exhausted, and the township has purchased the supply at Maitland and Barnard also. The teams are now hauling cement from Maryville and Mound City.

Some of the best filling is being done by Oscar Mowry an his crew, their work being considered especially high class, as it leaves the road bed perfectly smooth and makes it possible for cars to run over a new fill without jarring the occupants in the least. The owner of a Ford had this experience recently and is enthusiastic in his praises of Hughes township grading.

AUTO RACES TOMORROW

Some Fast Racing Will Be Had at the Fair Grounds—Many Cars Entered.

The auto races to be held tomorrow afternoon at the fair grounds at 2 o'clock promise to be very exciting and to furnish real amusement for the lovers of the auto racing. If the weather is permitting, the indications are good for a big attendance, as the races have been well advertised.

Many of the cars entered have taken part in the races at Bedford, Clarinda and Red Oak recently. Not over eight cars will be in any one race, and they will travel a distance of from 2 to 10 miles. The two best racing cars will be picked by the judges, and one will be called Wilson and one Hughes, the winner to get a prize of $200.

MEETINGS FOR SUNDAY

Several to Be Held Over County to Discuss Prohibition Amendment.

On account of inclement weather last Sunday, the meetings which were to have been held in the churches over the county to talk on the state-wide prohibition amendment, which will be voted on at the election November 7, were postponed until next Sunday. They will be held in the afternoon at 3 o'clock. H. W. Hull, president of the Anti-Saloon League, will be the speaker for Arkoe.

WILSON RUMORS DENIED

White House Officials Say Stories Printed About Lusitania Are Not True.

Special to The Democrat-Forum.

Asbury Park, N. J., Oct. 18.—Officials connected with the White House offices today angrily denied stories printed to the effect that President Wilson had accepted Germany's statement that the attack of the Lusitania was justified.

Official announcement that the demand of the United States in the Lusitania case have been met, and the case closed, is expected to be made shortly by Secretary of State Lansing.

ANNUAL 'WALK-OUT'

NORMALITES HIE TO THE WOODS FOR AUTUMN "LARK."

TEACHERS DIDN'T KNOW?

Perhaps They Did, But Anyway All Had a Pleasant Day Away From Class Rooms and Books.

Everyone was at school at the Normal this morning. Not an absence or a "tardy," as they say in the grammar grades. But hidden securely in the palm of each student's hand was a quarter, and stowed away in their pockets were tin cups, bright and shining.

"Ding dong" rang the 8 o'clock bell, the signal for the beginning of classes. On any other day but the annual "walk out" day this would have resulted in instant attention to lessons.

But today the teachers waited in vain for the students. And upon inquiring the cause of the lack of attendance, they found the students preparing for an all-day "lark" in the woods. The teachers were invited, of course, and President Richardson, too.

The result is that over 300 Normalites have forsaken the class rooms, the library and the study rooms of their alma mater, and have wandered into the woods, bright with autumn leaves and crisp with October air. They have forgotten "pedagogy," mathematics and English and are tasting the delights of a day in the open.

Maybe the teachers knew about it, and maybe they didn't. But anyway, the students had the pleasure of inviting them to enjoy the pleasures of the annual "walk out" day.

TO SET A $50,000 GOAL

Methodist Conference Decides to Raise Sum For Support of Retired Ministers—Session Closed Today.

Inspired by the speeches of Bishop W. A. Quayle and Dr. J. A. Mulfinger, who spoke in the interests of retired ministers and dead ministers' families, the Methodist Episcopal conference in final session this morning decided to set a goal of $50,000 which will be raised as soon as possible. This money will be turned into the conference claimant fund, and will be used for the support of retired ministers, and for the dependent families of dead ministers.

The consideration of a meeting place for next year was left in the hands of a committee which will make its decision later. The conference also had a discussion of the problem of evangelism, and it was decided to start an evangelistic campaign, aiding the district superintendent in the work.

A resolution was passed by the conference thanking the Maryville members for their kindness and hospitality during the conference.

At the close of the morning session the district stewards met. They set aside the salary of the district superintendent, and also the portion allowed for the district conference claimant.

BOOHER AT BARNARD

CONGRESSMAN SPOKE AT DEMOCRATIC MEETING LAST NIGHT.

RALLY WELL ATTENDED

Opera House Was Jammed—County Candidates Spoke—Republican Speaking a "Fizzle."

The Democratic meeting held in Barnard last evening at the opera house, with Congressman Charles F. Booher, William Job, William G. Sawyers, E. C. Moberly and M. E. Foss as speakers, was one of the best that have been held in the county during this campaign. The opera house was packed, every seat being taken, and a number stood in the back part of the house. Great enthusiasm was shown.

Preceding the speaking a quartet composed of Mrs. R. W. Bridges, Mrs. Mabel Gillette, Leon Seavers and Prof. Pierce, with Miss Georgia Strader at the piano, gave a number of selections, one being, "Wilson Will Win," which brought down the house.

J. L. Hocker, president of the Wilson-Marshall club at Barnard, presided at the meeting. The county candidates spoke first and all made a favorable impression.

Congressman Booher Applauded.

The speech of Congressman was warmly applauded and was well received by the crowd. Mr. Booher spoke of the record of the Democratic congress and told briefly of some of the measures that were passed and the benefit to the people. He told of our foreign relations with the Allies and Germany and cited many instances where this country had maintained neutrality. He also took up the Mexican situation and said that the trouble was not between this country and the Mexican government, but was caused by the bandits and outlaws who are raiding not only the property of Americans but also of Mexicans.

Several from Maryville were in attendance at the Barnard meeting last night.

G. O. P. Meeting a Fizzle.

The Republicans had a meeting in Barnard the night before the Democratic meeting. Their main speaker was J. B. Garber of St. Louis, who made such an unfavorable impression on the audience that the county committee had to cancel his dates in this county. The Tribune stated that Garber was "unexpectedly called to St. Louis this morning." Instead, he was sent back by the county organization because it feared to risk the success of the cause in this county by allowing him to make any more speeches.

Many of the Republicans that attended the Democratic meeting last night said that the Republican speaking the night before was a "fizzle."

C. D. Morris of St. Joseph took the place of Garber at the Republican meeting at Parnell last night. I. B. Kimball of Kansas City will speak at the other Republican meetings over the county this week. The meeting at Parnell last night was well attended and the hall was packed. J. S. Shinabargar of Maryville also talked.

Mr. and Mrs. Vern Howendobler of Tiller, Ore., are visiting here with Mr. Howendobler's sister, Miss Audrey Howendobler.

REV. WILES ACCEPTS

NEW PASTOR OF BAPTIST CHURCH HERE NOVEMBER 5.

CONFERENCE AT LIBERTY

Mrs. Burris, Charles Hyslop, Dr. Malotte and Mrs. M. R. Smith Attend From Maryville.

Ray Davis, secretary of the pulpit committee of the Baptist church, received a letter this morning from the Rev. T. H. Wiles of Louisville, Ky., announcing his formal acceptance of the call to become the minister of the Maryville Baptist church.

The pulpit committee recommended the name of the Rev. Mr. Wiles for consideration last Sunday. The members voted unanimously to extend the call to Mr. Wiles. His formal acceptance fills one of the vacant pulpits in Maryville.

Mr. Wiles made a favorable impression on the members of the church on the Sunday spent in Maryville. His sermon was interesting and forceful, and his personality was such that he made a number of warm friends during his short stay in Maryville. Upon his return to Maryville, the first of the month, he will be warmly welcomed by by the Baptists, who feel that he will continue the great work begun by the Rev. Lewis M. Hale, the former pastor.

Rev. Mr. Wiles will preach morning and evening sermons November 5, thus beginning his ministry in Maryville.

The annual Baptist general conference is being held at Liberty this week. Those from Maryville who are attending are: Mrs. W. A. Burris and Charles Hyslop, who left yesterday; Dr. Karl Malotte and Mrs. M. R. Smith and baby, who left today.

WILLIAM THAW KILLED?

Report Reaches America of Aviator's Death—No Details Given.

Special to The Democrat-Forum.

New Haven, Conn., Oct. 18.—William Thaw, American aviator of the French flying corps, was killed in action, according to news received today. No details were given. This is the second time the report has reached this country of Thaw's death. The Thaw family have heard nothing.

CONSTANTINE'S MEN COUNCILLING FLIGHT

Prepares to Send Family Out of Country—Austrian Military Works Bombarded.

Special to The Democrat-Forum.

London, Oct. 18.—The throne of King Constantine of Greece is tottering and a civil war threatens in Hellenic. The Athens correspondent to the Chronicle reports the king's advisers have counseled him to abdicate and flee. The situation is more dangerous than at any time since the war began. Intermittent rioting at Athens, Pieraeus and other cities during the last forty-eight hours reported. Constantine is preparing to send his family out of the country, an Athens dispatch says.

Bombard Military Works.

Rome, Oct. 18.—The fleet of Italian and French aeroplanes have bombarded the Austrian military works at Rougan and Vunta Salvores and ships off these ports, it is officially announced. The Austrian planes gave battle and big aerial engagement was fought high above the Adriatic. The statement says that one of the Austrian planes disabled and fell into the sea. The raid occurred Tuesday.

Marines Policing Athens.

Zurich, Oct. 18.—French and Italian marines policing Athens arrested a number of ringleaders of the anti-entente riots, according to dispatch today.

Germans Repulsed.

Paris, Oct. 18.—It is reported in the counter assault south of Somme the Germans penetrated the first line trenches of the French last night. The success was short lived, and the French immediately attacked and not only recaptured it but they captured all the Germans in the trench. North of the river the Germans made three counter attacks but were repulsed and the Germans suffered heavy losses.

Damage in Zeppelin Raid.

Berlin, Oct. 18.—More than ten million dollars damage done in the last Zeppelin raid over England, the Overseas News Agency stated today. Four hundred soldiers were killed at Grimsby when the barracks were hit, more than a hundred buildings destroyed, three warships hit, ammunition factories and railway station wiped out, and the heart of London bombarded. The information is based on accounts of "eye witnesses," agency says.

Furious Fight at Carpathia.

Bucharest, Oct. 18.—A furious Austria-German onslaught along the whole Carpathian front has failed to pierce the Russo-Rumanian lines, it was announced today.

COMING BACK

THE UNITED DOCTORS SPECIALIST WILL AGAIN BE AT MARYVILLE, MISSOURI, LINVILLE HOTEL FRIDAY, OCTOBER 20, 1916.

ONE DAY ONLY—HOURS 9:00 A. M. TO 6:00 P. M.

Remarkable Success of Talented Physician in the Treatment of Chronic Diseases

OFFER SERVICES FREE OF CHARGE

The United Doctors Specialist, licensed by the State of Missouri for the treatment of all diseases, including deformities, nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of treatment. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality that at last treatments have been discovered that are reasonably sure and certain in their effect.

The United Doctors are experts in the treatment of chronic diseases and so great and wonderful have been the results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, rheumatism, sciatica, tapeworm, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases that have baffled the skill of the family physician, should not fail to call. Deafness often has been cured in sixty days.

According to their system no more operation for appendicitis, gall stones, tumors, goiter, piles, etc., as all cases accepted will be treated without operation or hypodermic injection, as they were among the first in America to earn the name of "Bloodless Surgeons" by doing away with the knife with blood and with all pain in the successful treatment of these dangerous diseases.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you.

Worn-out or run-down men and women, no matter what your ailment may be, call; it costs you nothing.

Remember, this free offer is for this visit only.

Married ladies come with their husbands and minors with their parents.

NEWS FROM ALL Northwest Missouri

Fresh strawberries were picked from the garden of Mrs. J. M. Simons of Grant City, Friday, October 6.

Two farmers of Worth county—James and John Owens—whom the Grant City Tribune calls "two fine unterrified Democrats," amazed that city last week with a sunflower stalk 18 feet tall and surmounted by a head two feet across.

Gallatin's Parent Teachers' Association recently appointed a membership committee of fifteen persons, who have worked so earnestly that the membership now is nearly 200.

"Mother, how far does a step-mother step?" a little girl asked one day, as her mother was busy about the house, and she had come in from her play. "Well, dearie, the matter would largely depend on the length of the lady's limb, and the strength of her arm to wield the rod, and the pep she possessed, and the vim. A stepmother steps pretty far sometimes and makes little kiddies walk straight, and she's likely to meet them with a short step when she sees them come in at the gate. And a stepmother steps pretty high sometimes, and walks over tender hearts, and falls in her duty to those she took and causes them stings and smarts. But a stepmother, too, is kind sometimes, and cares for the little lone child and tries to guide its steps aright, and keeps it from growing wild. And the stepmother steps a long ways when she follows the wayward one and tries to keep it within the fold till stepmother's steps are done."—Eagleville correspondent in Bethany Republican.

Maitland was the scene last week of a revolutionary occurence in church circles. A preacher who came to Maitland a year ago not only resurrected a dead church, but also organized a company of Boy Scouts, who have changed the young life of the town. He proved himself a powerful factor for community betterment—the spirit that Maitland has long cherished. And when the United Brethren conference transferred this preacher, Rev. W. H. Frame, to Polo, Maitland rebelled. The Maitland Christian church extended a call to Mr. Frame, and the call was accepted.

Bethany's fair left a cash balance in the treasury of the new association amounting to $2,000—a mighty good beginning.

In order that the activities of seed corn week—the present week—might be stimulated and that the boys and girls might receive valuable training in practical matters, W. B. Kesterson, superintendent of the Mercer county schools, suggested that all teachers and pupils of the county rural schools assist the farmers in the work of selecting the seed ears from the field.

Having been separated only three weeks in three score years, Mr. and Mrs. Robert Duncan, a pioneer Ray county couple, celebrated their 60th wedding anniversary last week. Their brief separation occurred during the Civil War. The venerable bridegroom is 78 and his bride 77 years of age.

Reflex action was accompanied by disastrous results last week in the case of Ben Wilson of Bethany. Wilson was driving his car along a country road during a gale of fall winds. His hat blew off, and before he let go the steering wheel, grabbed for the hat. He got the hat all right, but the car went into a ditch and Wilson had to jump for his life.

This is 'simmon weather, and the name for Indian summer—the time of persimmons, pawpaws, 'possums and pumpkins.—Richmond Missourian.

Having come to Mercer county 81 years ago in a covered wagon drawn by an ox team, Mrs. Margaret Yates, of Washington township, is still a happy resident of that county, says the Princeton Post. She is the oldest settler of the county, and last Sunday celebrated her 91st birthday. She is the mother of ten living children, 56 grandchildren, 70 great-grandchildren and one great-great-grandchild.

From Colorado ranges three Mercer county men recently returned with 2578 sheep for their Missouri fields and feed lots.

For a single load of wheat E. B. Bailey of near Princeton received a check for $96.62. The load contained 74 bushels and 20 pounds and was sold at $1.30 a bushel. He now wishes that he had raised the check by shoveling several more bushels of wheat into the wagon.

The Savannah Reporter quotes from the Northwest Democrat, published at Savannah July 12, 1856, as follows: "Every store in Savannah will take hemp, bacon, lard, butter, eggs and dry hides in exchange for goods or cash." "E. B. Sibley, brevet major and assistant quartermaster, wishes to buy 940 horses adapted to cavalry purposes for the United States army."

It has been left for a ten-pin parlor to give Albany a free employment bureau. In a newspaper ad the proprietor announces that calls for work or help will be posted free of charge in his window.

At the Cainsville mill wheat was put in the rolls at 2:05 p. m., the other day in a swift baking test. At 2:06½ the flour was in the hands of the cook and at 2:07½ the dough was in the oven, and at 2:14½ the piping hot, delicious biscuits were ready for the table.

Geologists in the service of the United States Geological Survey are working in the vicinity of Craig, beginning a soil survey of Holt county to be used by the federal department of agriculture as a basis for future advice to Holt county farmers.

Interest is still keen in the oil and gas survey of Ray county. The field work by the state geologist has been deferred until the latter part of this month, but Ray countians are living in hope.

Some campaign orator was so unfortunate as to refer to the law as "a kindly nursing father," and Jewell Mayes heard of it. "We know all about the nursing mother," retorts the Richmond apostle of good cheer, "but from the nursing father may the good Lord deliver us."

"At the American Royal Stock Show," says the Richmond Missourian, "we saw one cow bring $2,500, while her husband sold for $3,000."

Savannah women working in the interest of local charities collected $173 at their recent annual tag day.

At Lathrop the other day 500 British war horses stampeded while being driven from the Santa Fe yards to their pastures and an entire day was required to round them up from adjacent country roads.

Obituary.

Jesse England was born in Hocking county, Ohio, April 11, 1832. He married Miss Eliza Nebergall, November 29, 1857. To this union were born five children. Mary Alice died when she was 2 years old, Edward died when he was 4 months old. Mrs. Clara Wilson, the oldest daughter, was killed in a runaway accident at Spokane Falls, Wash., November 16, 1888.

His good wife died April 12, 1875, leaving him the care of the children, who were very small at the time, and he was father and mother to them, keeping the home together until they were grown. In 1862 he enlisted in Company B, 89th Ohio infantry, and served until mustered out of service.

In early life he professed Christ and united with the Methodist church, where he rejoiced in the hope of the resurrection of the dead till his Lord called him to come up higher. In 1879 he moved with his family from Ohio to Missouri, locating near Quitman. In 1884 he sold his farm and emigrated to Washington, where he took a homestead near Spokane Falls. He remained there until 1890, when he returned to Quitman and made his home with his son, Harve England, where he died October 14, 1916.

Mrs. Rachel Smith of Quitman and Harve England, daughter and son, survive him, together with nine grandchildren, fourteen great-grandchildren and a host of friends. He was 84 years, 6 months and 3 days old.

L. L. Hart, who has been in the hospital at Clarinda with typhoid fever, has recovered sufficiently so that he came down home yesterday, but returned there for a few days longer treatment.

The Weber Always Leads

ABOUT 1845, when the first Weber was built, you could not buy a better wagon than a Weber. There were no better built. Weber made "the best" his standard.

That was over seventy years ago, but the standard has been the same every year since. You know that, from the good work you have seen Weber wagons doing. You know they have been always popular.

We can show you, if you come in, that "the best" is the Weber standard to-day. We want to show the wagon to you in the up-to-date form, with every improvement, some of which you can't find on any other make of wagon.

You can see, here in the store, the new fifth wheel, the folding end gate, the link end rods, the strong construction of gears, wheels, and boxes. Come in the first chance you have and see this wagon.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

WIND STORM IN ALABAMA

Gale Blowing at 90 Miles an Hour This Morning—Shipping Being Scurried Into Ports.

Special to The Democrat-Forum.

Mobile, Ala., Oct. 18.—A message received this morning from Mobile stated that the wind there at 9 o'clock was 90 miles an hour. All telegraph and telephone connections between Mobile and New Orleans were lost after 9 o'clock.

Gulf coast shipping, in anticipation of one of the worst storms in recent years, is scurrying into ports. The merchants along the water front are putting their goods in top stories. The wind is said to have reached seventy miles an hour. Hurricane warnings have been put out by the government between New Orleans and Florida.

Memphis, Oct. 18.—It is said seven were killed in Mobile when a house was wrecked in the hurricane.

Petition for Naturalization.

Ernest Viktor Flobeck of Barnard filed his petition for naturalization papers today. He was born on May 5, 1882, at Hampstead, Sweden, and emigrated to this country in 1910. The papers were signed by Lars Peter Hanson and Carl John Lagg.

A big dog jumped in front of a Ford car in which a Gallatin man was taking two children to school one day last week, and when the car and dog collided the car turned over into a roadside ditch and one of the children was seriously injured.
